

New Attractions at i-City

Itsy Bitsy

A magical park where parents can relive their childhood memories while spending precious hours with their children as they join the hardworking ants to have a joyful moment together or Mr & Mrs Bee, as they busily welcome people to their "beehives". Itsy Bitsy has a variety of readily available exciting rides such as the Mini Pirate Ship and Rocking Chaise Car. Kids can put their physical strength, stamina and fitness level to test at the Fitness JR.

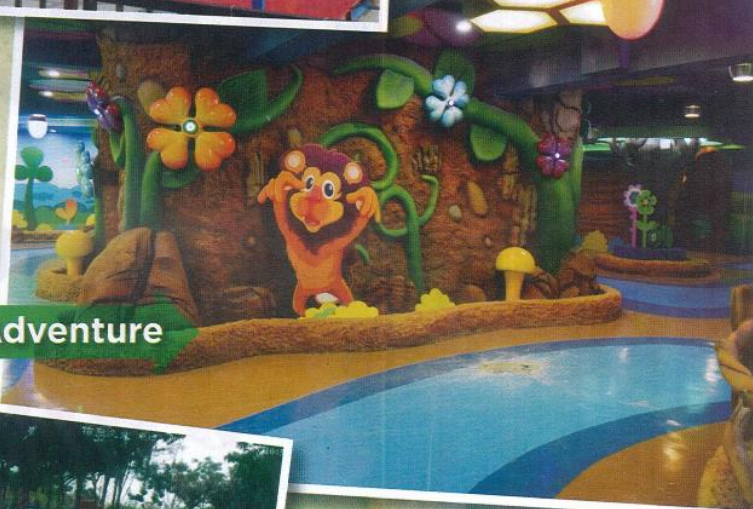

Kids can now embark on an adventure on the Jungle Rider with their parents, to explore and discover wildlife creatures as they roam around the mini jungle freely and meet Mr Tiger as he mischievously hides around the corner waiting to pounce at you, or the friendly Three Bears.

Fun Drive

This is a mini township where kids get behind wheels, taking charge as they explore the tiny city. It is a fun and educational introduction to road safety and driving safely. Kids also will receive their very own driver's registration card and get a briefing on the basic safety rules and regulations.

Jungle Adventure

Mist Fountain

Located within the digital lights capes park, Mist Fountain offers magical, cooling and chilling effects that are indescribable and unbelievable. This attraction allows one to have a long-lasting bonding session with their loved ones and enjoy the experience as if they were at the summit.

The first of its kind spectacular water performance, it leaves visitors with excitement. This attraction blends creative masterpiece with groundbreaking audio, astounding light and water together. Situated at the Digital Lights area, it can accommodate thousands of visitors.

Dancing Water

FunWorld @ i-City opens daily from 10am. The Dancing Water attraction begins from 9pm (Mondays to Thursdays) and at 8pm, 9pm, 10pm and 11pm (Fridays to Sundays). Visitors can experience being surrounded by the cool Mist Fountain after the performance of Dancing Water.

A Perfect Family Getaway

at i-City

Dubbed as the City of Digital Lights, this leisure park has been receiving an overwhelming response, marking 5.5 million visitors to its night attractions in the year 2013. With the opening of WaterWorld at i-City to keep crowds entertained during the day, i-City's theme park is all set to provide visitors an enriching whole day experience with its latest edutainment attractions!

A family-oriented tourist destination for many, be it locals or tourists, i-City is famously known for local hit attractions such as the Red Carpet which is Malaysia's

First Interactive Wax Museum, Snowwalk, Malaysia's First Trick Art Museum, House of Horror, 5D Theatre, Space Mission and much more. The attractions cater for all ages, adults, teenagers and kids, and keep everyone occupied during the day and night. Recently, i-City has introduced a fun zone dedicated specially for kids, providing families all the more reason to spend quality time with their loved ones at i-City for an experiential, educational as well as an entertainment- filled day.

At i-City, the new attractions attempt to bring various benefits to its visitors. For instance, attractions at i-City aim to promote family bonding and members of families to share laughter, joy and fun together. Parents can get to know their child's character and attitude from the way they attempt the rides, communicate and behave. Kids, in turn get to see the inner child spirits of their parents - all within the precinct of i-City!

Located at FunWorld, i-City is thrilled to introduce its latest edutainment attractions to families and kids.
